

Diseñar, con Bootstrap 3, el siguiente formulario:

A Bootstrap 3 login form design. It features a light gray rounded rectangle containing two input fields. The first field is labeled 'Nombre de Usuario' and has a user icon as an input group add-on. The second field is labeled 'Contraseña' and has an asterisk icon as an input group add-on. Below these fields is a blue 'Enviar' button with a white paper plane icon. The entire form is set against a white background with a light gray border.

Elementos:

form -> .well .form-horizontal

Filas -> div -> .form-group

label -> .control-label .col-\*-\*

div -> .inputGroupContainer .col-\*-\*

span -> .input-group-addon

i -> .glyphicon .glyphicon-\*

input -> .form-control type-> \*

button -> .btn btn-primary type -> submit

span -> .glyphicon .glyphicon-\*

El form.action redirige hacia BACKEND/pagina.php, la cual realizará un var\_dump de lo recibido.
